### 2. Agreements and To Do's with partners

- Examples of worksheets (Sint Jozef) to be sent **Kathleen/Poll** **OK**
- Edin would like to work with skype **Poll** **OK**
- **Problems have been mentioned. Blog automatically switches to Polish. Europe has a lot of work, that should be mentioned in our end report**
- Antwerp will have 2 booths in Zadar, in order to enable the workshops. Also, we have a booth in the school to present our school, city and country.
- Further arrangement to follow in Iskenderun or through Skype.
- P, D and CZ continue working on their manual, combined with a quiz and a game. They will make approximately 60 questions that will serve as instructions and details to the board game. Since the manual is made up as quiz and game, one task for Turkey is deleted : the quiz game has been developed by CZ themselves.
- Altenburg and Antwerp cooperated in realising the board game. The result is quite nice.
- On a higher level, the First Aid Manual was made by Croatia. Turkey will make a first document of this. St.-Jozef Antwerp is providing examples of worksheets, Turkey will work with these sheets to achieve a manual that can be used by every member. Everyone who participated at the survey regarding 'accidents at school/work' will find it useful and will receive a nice document. Antwerp will print the manuals and bring them to Zadar.
- **Should there be any need for extra T-shirts : then St.-Jozef would like to receive the order before end of January 2015.**
- Where will we be working on the end report ? This is not only the task of the president, but it's a task for every member. Who has a suggestion ? Shall we partially work in Iskenderun ? – Antwerp ? Zadar ?
- Any action points to add to this report ? Please inform.
